PRODUCT INFORMATION

30w

60w

80w

100w

120w

Model	Watts	Size	Solar panels	Battery
LCS-DY30	30w	830*385*68mm	18V 50W	12.8v 24AH
LCS-DY60	60w	1390*385*68mm	18V 80W	12.8v 36AH
LCS-DY80	80w	1535*385*68mm	18V 100W	12.8V 48AH
LCS-DY100	100w	1690*385*68mm	18V 120W	12.8V 60AH
LCS-DY120	120w	1805*385*68mm	18V 140W	12.8V 72AH

TWO LED MODULES ARE AVAILABLE

PRODUCT DETAILS

**HIGHLIGHT THE
PATCH LAMP
BEADS**

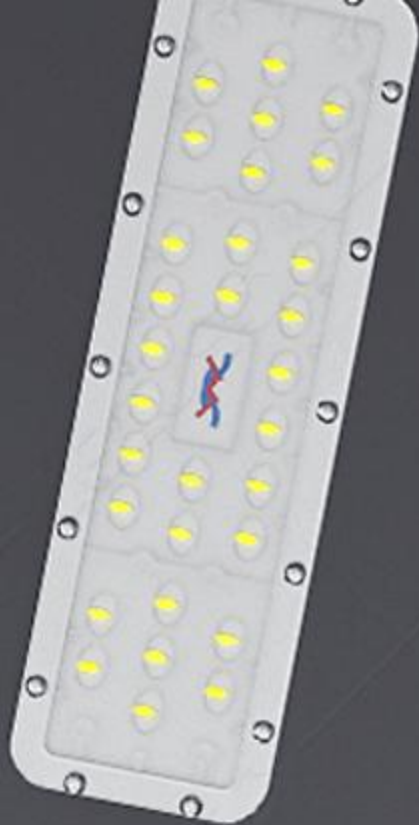

Adopting USA imported high-brightness Cree 3030/5050 led chips, lab testing luminous efficiency up to 170lm/w

ultra thin
30mm design

**HIGH QUALITY
ALUMINIUM MATERIAL**

Aluminum alloy case, ultra-thin 30mm thickness design

RADAR SENSOR

Intelligent induction sensitive, light people to all
bright, people walk slightly bright

INTELLIGENT LIGHT-CONTROL

Automatic charging during the day

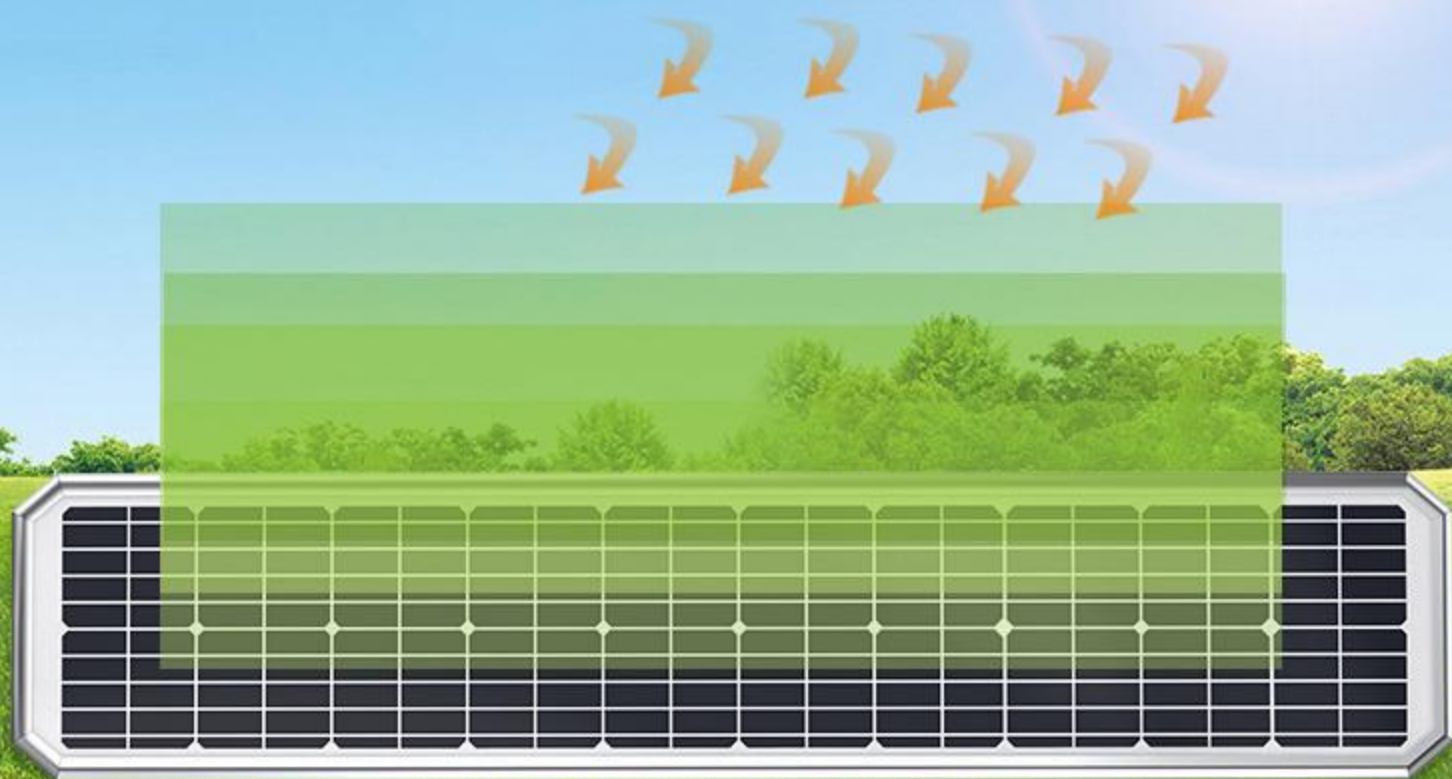

Automatically lights up at night

SNOW/WIND LOAD,PID RESISTANT

25-years progressive warranty 21% photoelectric
conversion efficiency

LITHIUM IRON PHOSPHATE BATTERY

Longer lighting time high density, large capacity, longer
service life, more stable

APPLICATION SCENARIOS

Courtyard lighting

Residential lighting

Park building lighting

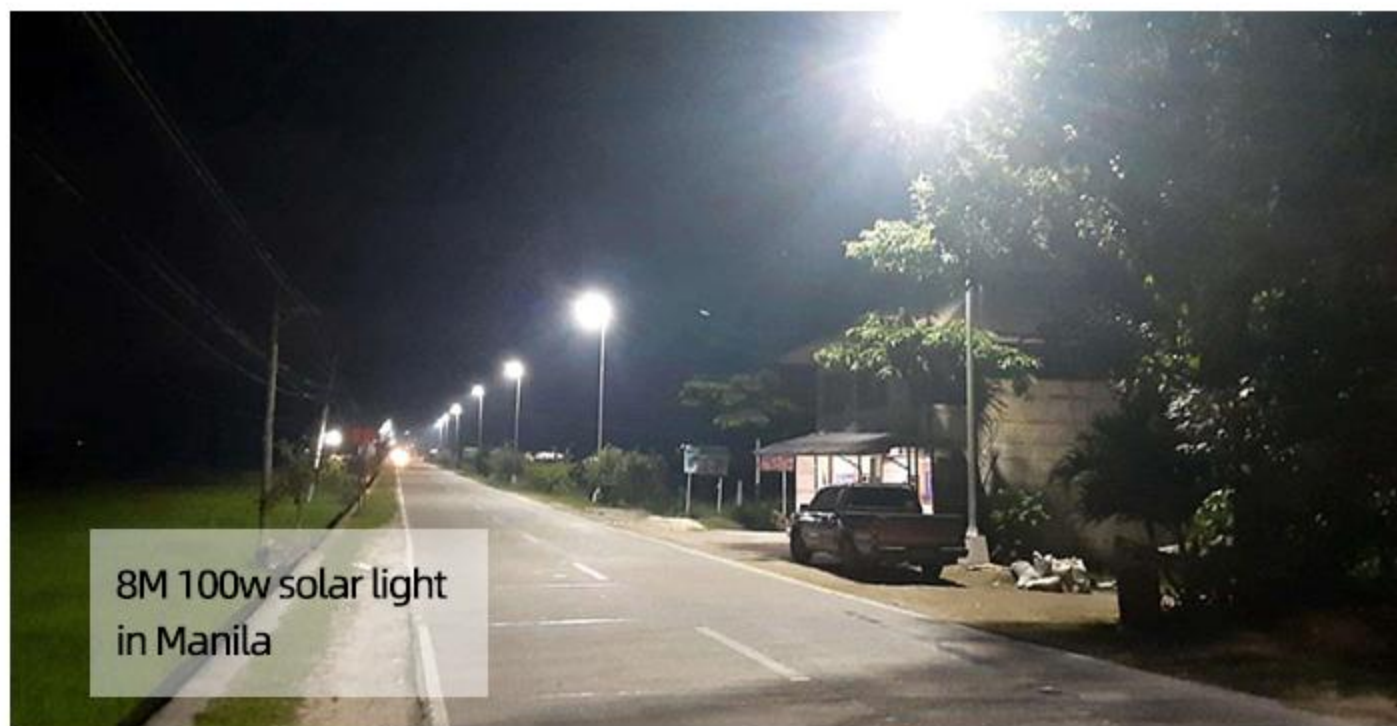

Country road lighting

Riverside roadside lighting

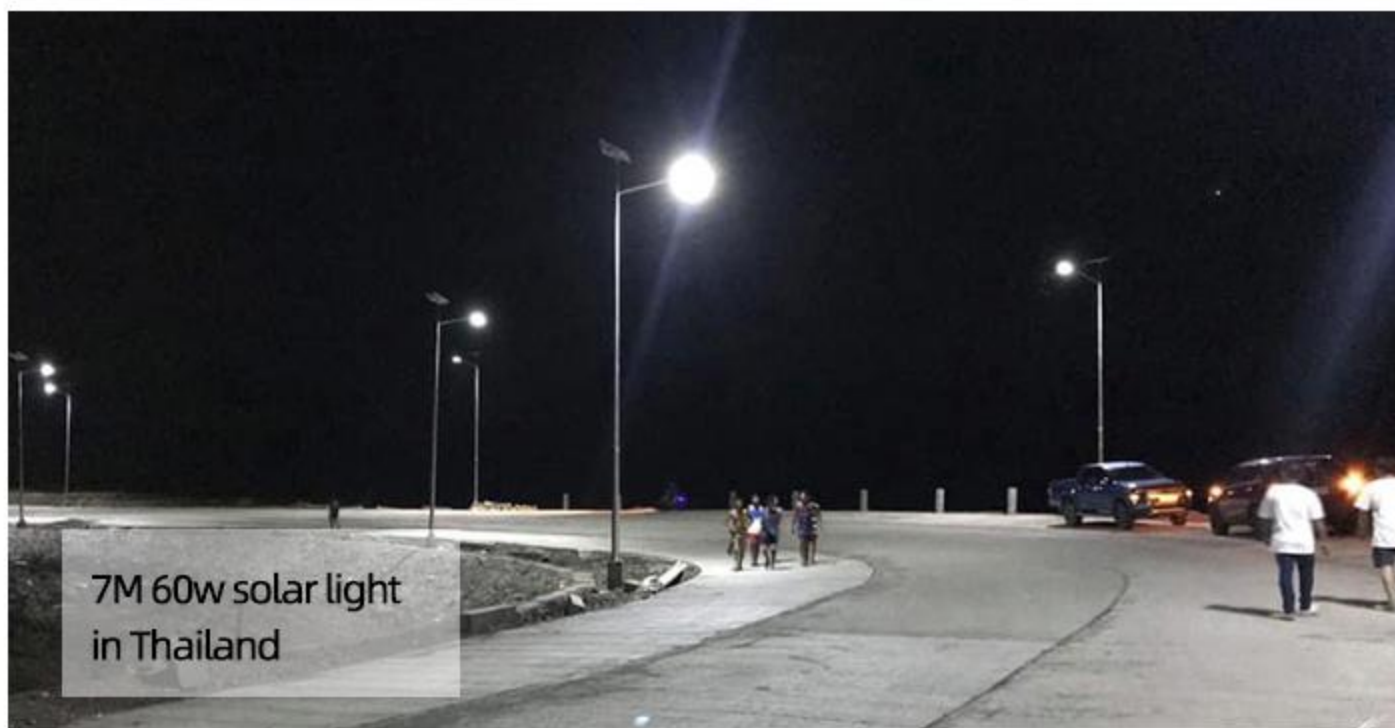

Square lighting

8M 100w solar light
in Manila

6m 60w solar light
with pole in Cebu

7M 60w solar light
in Thailand
